**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider (Sonic) because my long going internet service with AT&T was far too slow and expensive. We don't need price hikes based on limited competition. I work from my home so I need a fast connection to the internet. I finally have fiber and I don't wish to go back to DSL. My phone service linked with fiber optic is also cheaper and clearer.
